The defendant is out of custody under supervision, and consents to the 3 continuance. 4 5 The continuance is requested for several reasons: 1-the defense is doing on going investigation; 2- the defense is continuing to review the material in this matter and 3- the defendant has a State Court Trial on the very issues of the filed Petition in this Court and the result of the trial in State Court will be of assistance in helping to resolve this matter and by allowing the State Court trial to proceed first it will be a cost savings to both the government and this Court.
